THE SENIOR CLASS OF CHATTANOOGA VALLEY

HIGH SCHOOL

D E D I C A T I O N

MRS. RUTH PRESCOTT

Since 1950, she has faithfully served the faculty and student body. She doesn't stop at just preparing and serving our meals, but has become a friend to all. Each freshman class will always remember her for her eagerness to help them feel that they are an important part of the school. Every day as we pass through the lunch line, she greets us with a smile and a witty expression. Because she has earned a special place in the hearts of many, the 1964 TELESOPHIA is dedicated to Mrs. Ruth Prescott.

TO OUR PRINCIPAL

MR. J. E. HAUBENREICH, JR.

The senior class of 1964 wishes to pay tribute to Mr. J. E. Haubenreich, our principal. We appreciate his advice and help through our four years of high school. He is always willing to help us solve our problems, regardless of what they are, and whether they're great or small. His friendliness and congeniality are the main reasons for the happy atmosphere of the school. Because of his eagerness to help, and his sincerity, he has become a friend to all.

RECOGNITION

As the 1964 graduates reminisce and think of former days, we recall the smiles and tears of high school years; a teacher's undying effort to prepare us for the future, a symbol of faithfulness and eagerness to us all; the friendships we made and will always treasure, even though their faces may grow dim through the years; the excitement and enthusiasm of a pep rally; the victory and defeat of all the ball games; the noisy halls and confusion of changing classes; having to be in three or four different places during the break (or so-called free period!); dying of hunger as we impatiently waited at the end of the long lunch line; the silence of the library and the willingness of our librarian to assist us; the supposedly silence of the rooms of learning; the ten hour school days as a result of before and after school practices; the final days of strenuous testing; and at last, graduation!

With the pride of accomplishment yet the realization of our mistakes, we the seniors of Chattanooga Valley High completed four wonderful fulfilling, and sentimental years.

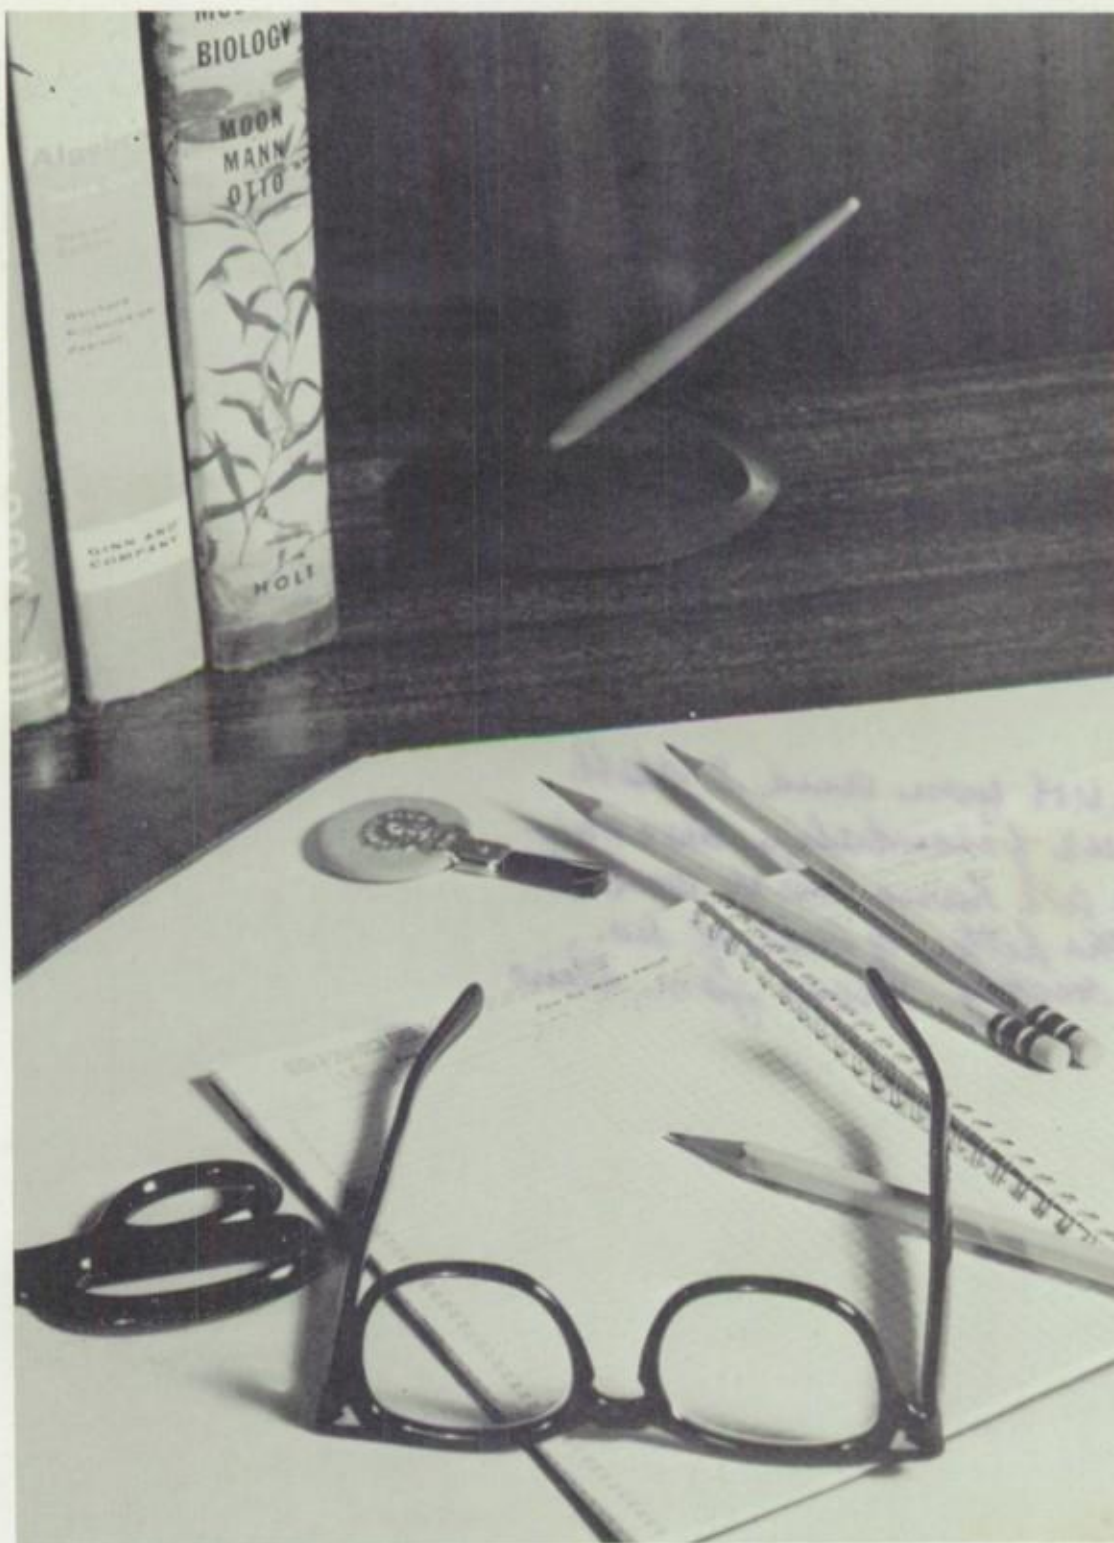

In 1960 we entered high school as timid and silly freshmen. It was a year of adjustment to a new and mysterious way of life, with regular crushes on the Friday night heroes for the girls, while the boys remained the bench warmers for upperclassmen, and for all the recognition from upperclassmen, and for all the thrill and honor of being a part of Chattanooga Valley High School.

Upon becoming sophomores we were no longer excused because we didn't know the rules. In time we learned to settle down, to take an interest in club work, and to long to be an upperclassman.

In our junior year we took on larger responsibilities. We worked very hard selling magazines to finance a Junior-Senior Banquet. The many happy laborious hours of preparation for it will never be forgotten.

And at last--we were seniors. We reluctantly yet hopefully looked forward to graduation night. Along with our memories we took other valuable treasures: class rings, school jackets, yearbooks, diplomas, and a feeling of accomplishment. Our restless carefree days are gone, but in our mind's eye they will ever linger.

Although this part of our life is over, and has been replaced by another, we have carried with us a treasure chest of memories.

FACULTY

Steve, it has been a pleasure indeed working and living with you boys and girls here at C.V.H. you and I shall never forget our friendship nor our little problems we have work out together and for the better of both of us. May the Lord richly bless you, Steve.

TRI-HI-Y

Flavia Howard, President; Diane Gehman, Vice-President; Sharon Long, Secretary; Sherry Howard, Treasurer; Georgene Hartline, Reporter.

The Tri-Hi-Y is a Christian service club with its purpose "to create, maintain, and extend, throughout the home, school, and community, high standards of Christian character."

Tri-Hi-Y members are always ready to serve in Christian activities such as P.T.A. devotions and chapel programs. Among their other activities were "A Get-Acquainted Day" for the Freshmen, a "Coketail" party honoring new members, and the publishing of a student handbook. Members are taken by application. Each year we encourage girls who are interested in Christian service to apply for membership.

FELLOWSHIP OF CHRISTIAN ATHLETES

What is the F.C.A.? It is a group of boys with the same ideas and aims. What is the purpose of the F.C.A.? The purpose is to confront athletes and coaches with the importance of following Christ in life and on the playing field. What is its history? The F.C.A. is young. It was first thought of in 1954, by Mr. Branch Rickey (father of modern baseball), who was just thinking what a great combination a Christian and an athlete would make. The first small club was established at this point, and since then, the F.C.A. has grown tremendously.

EAGLE STAFF

The EAGLE, our school newspaper, is published by the Beta Club, although the school furnishes the supplies. The money goes into the Beta Treasury for various uses.

The staff is composed of Beta members and a few underclassmen. The editor and assistant editor are elected, but the rest of the staff volunteer for their jobs.

Our paper was started in 1930 under the name of C.V.H.S. ECHOES, but in 1950 the name was changed to the EAGLE.

FBLA is the national youth organization for high school and college students enrolled in business subjects. FBLA is sponsored by the National Business Education Association, a Department of the National Education Association.

FBLA is democratically organized and designed for all business students. It is devoted to providing young adults with educational, vocational, and leadership experiences.

FBLA encourages improvement in scholarship, promotes school loyalty, and strengthens the confidence of young adults in themselves and their work.

LIBRARY

The main purpose of the Library Club is to train the members to be qualified librarian assistants. There are no special qualifications needed to enter the Library Club, except that the student should be interested in library work.

Library workers are trained to check books in and out, how to fix books to go on the shelves, and how to place them in the right position on the shelves. A girl who has been a library assistant in high school can get a job in a college library doing the same thing in order to pay her way through school.

CHORUS

The Chorus, under the direction of Marea Ransom, have put in a full year of hard work. They made a trip to Kentucky to sing for the Tri-State-Kiwanis Convention, presented "Around the World in 80 Days," a Christmas program, a spring festival, participated in All-State Chorus and entered competition to be graded among the other choruses in Georgia. The members of the 6+5 and Men's Quartet are selected from the chorus. They sing at chorus presentations and other events.

Chorus members put in lots of practice, but each will tell you that all trips, good times, and satisfaction of a job well done, make it worth it all!

The Club sponsors a Valentine party each year for the faculty. We have taken part in F.T.A. tours of the University of Chattanooga. Our paper drives sponsor the activities of the club.

We encourage all students who are interested in teaching to become members of our club.

The Public Speaking, Debating, and Salesmanship Club is designed to prepare its members for a more successful and satisfying life. The club helps our members to become more effective public speakers. Today, when one is a good public speaker, he can serve his community in the roles of leadership.

When our members learn to debate, they train themselves to gather all the facts on any given subject before forming public opinion.

Our members are given the basic principles of spelling in the salesmanship department of our club. Salesmanship is the most potent force in keeping the wheels of industry moving.

LETTERMEN

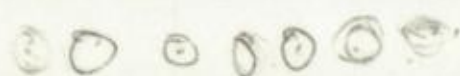

The lettermen are a group of students who have earned a letter by playing football or basketball, participating in track, being cheerleaders, or being a manager or scorekeeper. These lettermen are responsible for keeping the dressing rooms during basketball games and helping in the concession stand when they are needed.

Each letterman wears his letter with pride and is proud to be a part of this group.

SCOREKEEPER and MANAGER
Sandra McMurtrie, Georgene Hartline.

Led by Coach Ed Jarmakowitz, the girls' basketball team, playing many larger schools than C.V.H.S., came through with a good record. The girls had a majority of upperclassmen which gave the team the much needed experience. Underclassmen adding spirit made a hard fighting team.

Watch out Kirkman Hawks! A bunch of Eagles are out hunting again.

The girls take a rest between quarters, and listen to Coach Ed's strategy.

Margaret, sinking a foul shot here, was a whiz on offense for the Eagles.

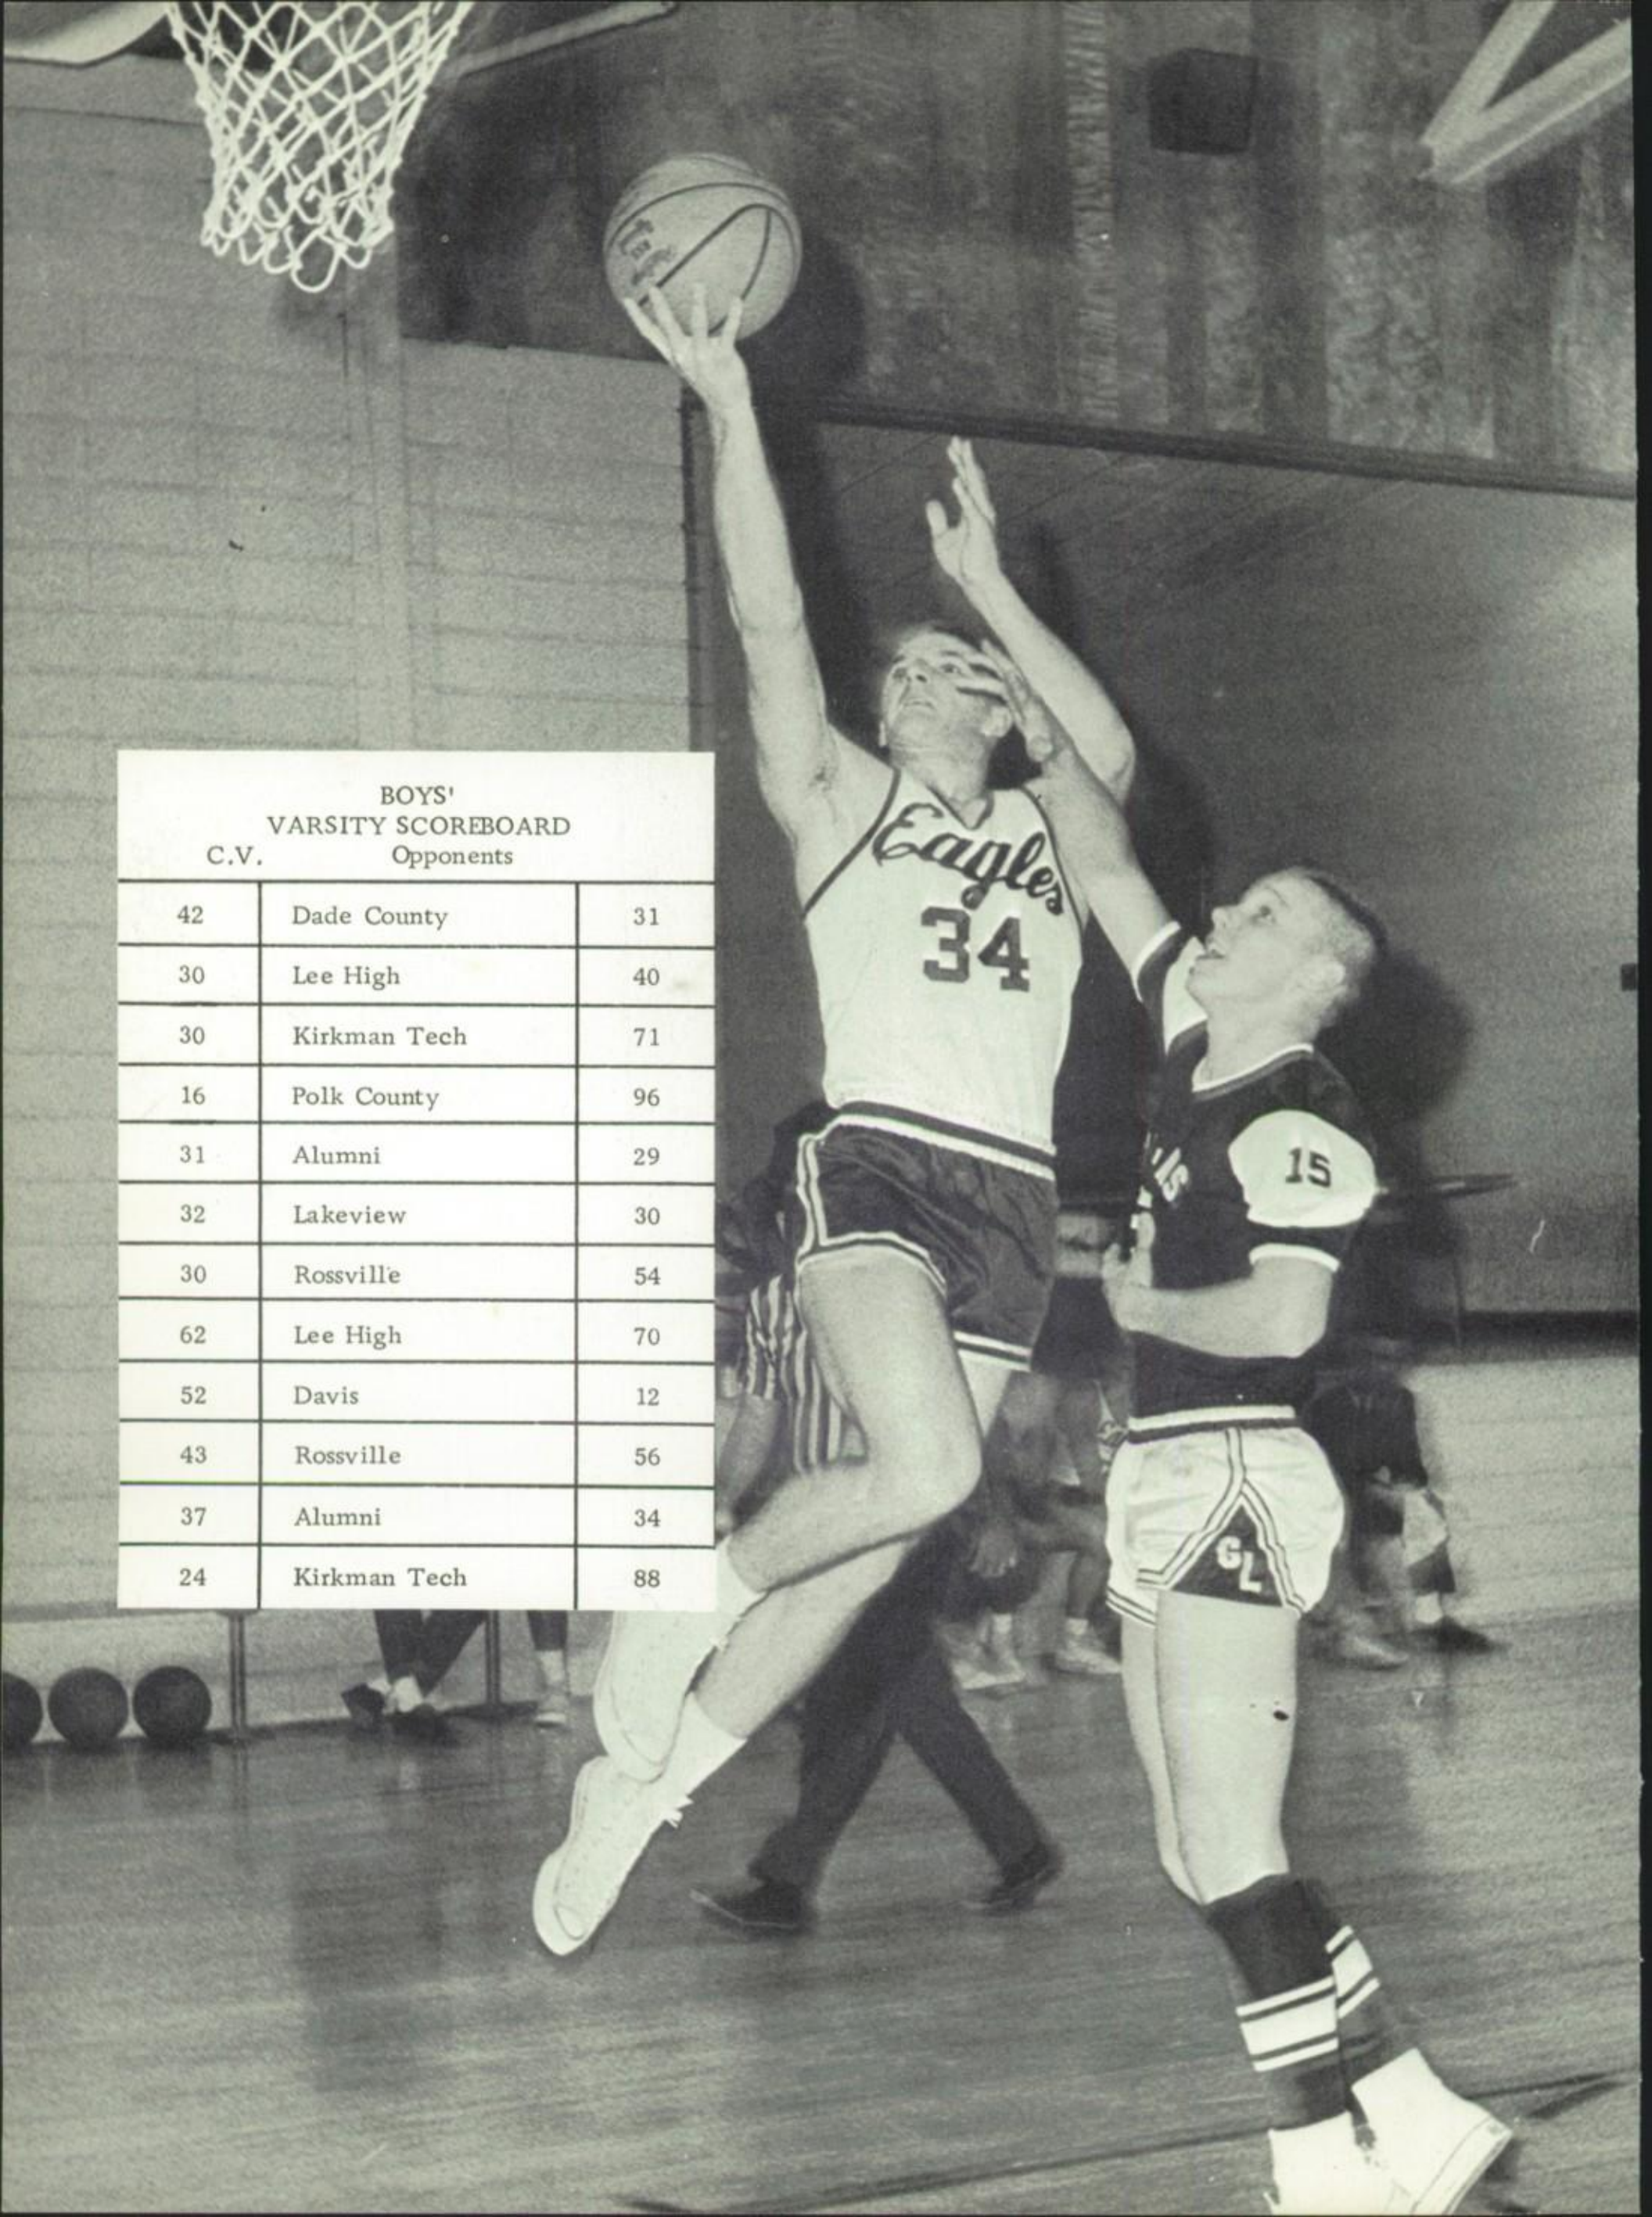

Our Cheerleading squad brings the crowd to life with a big cheer to start the ball game.

Well, what's this, Volleyball or Basketball?

C.V. gains another point, as Joyce puts the ole dance into the game.

VARSITY

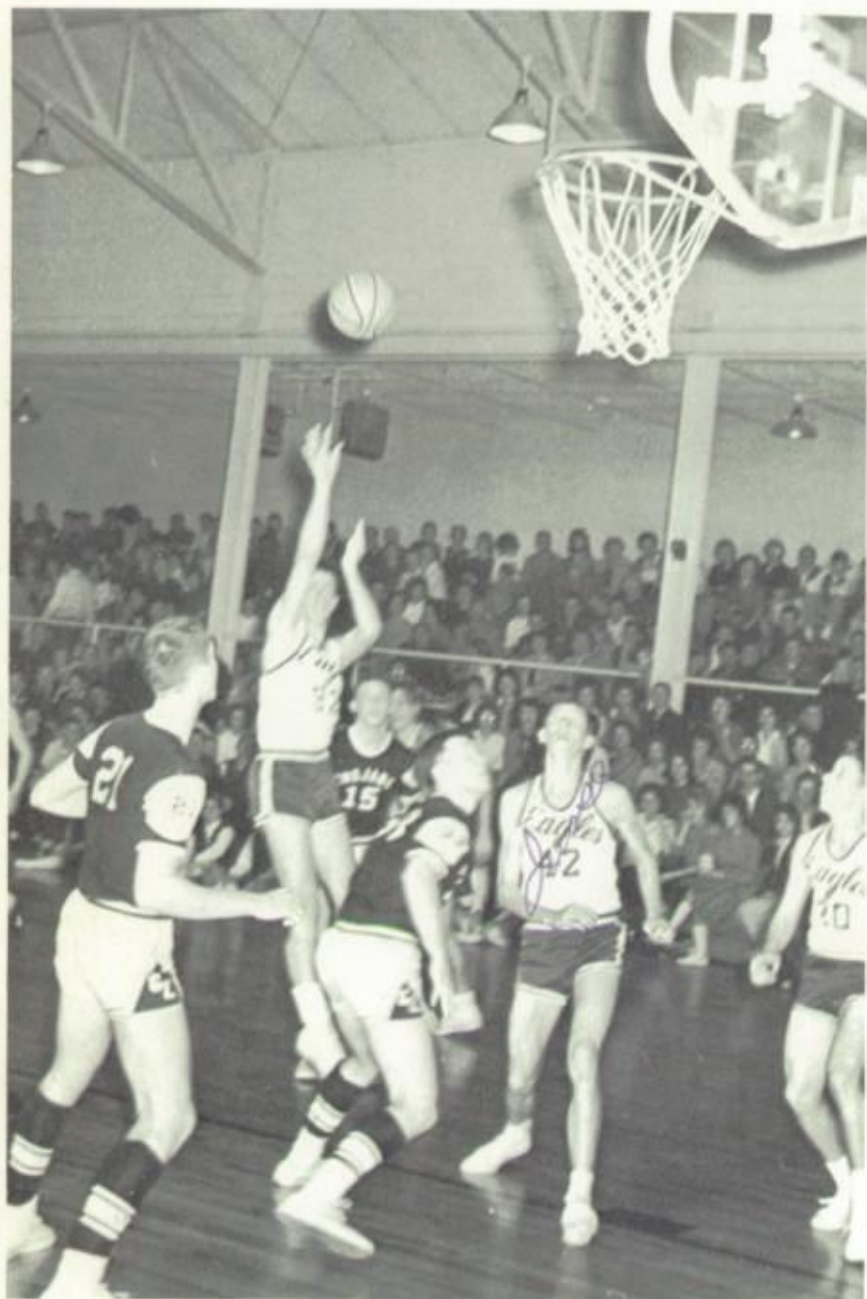

MANAGERS--Larry Wright, Larry Grant.

Under the direction of Coach Jim Quarles and his strict training rules, the young 1964 Eagles worked and played hard for every point.

They were hindered by the lack of experienced upperclassmen but with the help of Coach's "touch" and "goes" even the Freshmen felt old and experienced.

Uh, Oh! Look at that score! Coach had to do some quick thinking there.

Two more points! Boy the Eagles are flying high tonight.

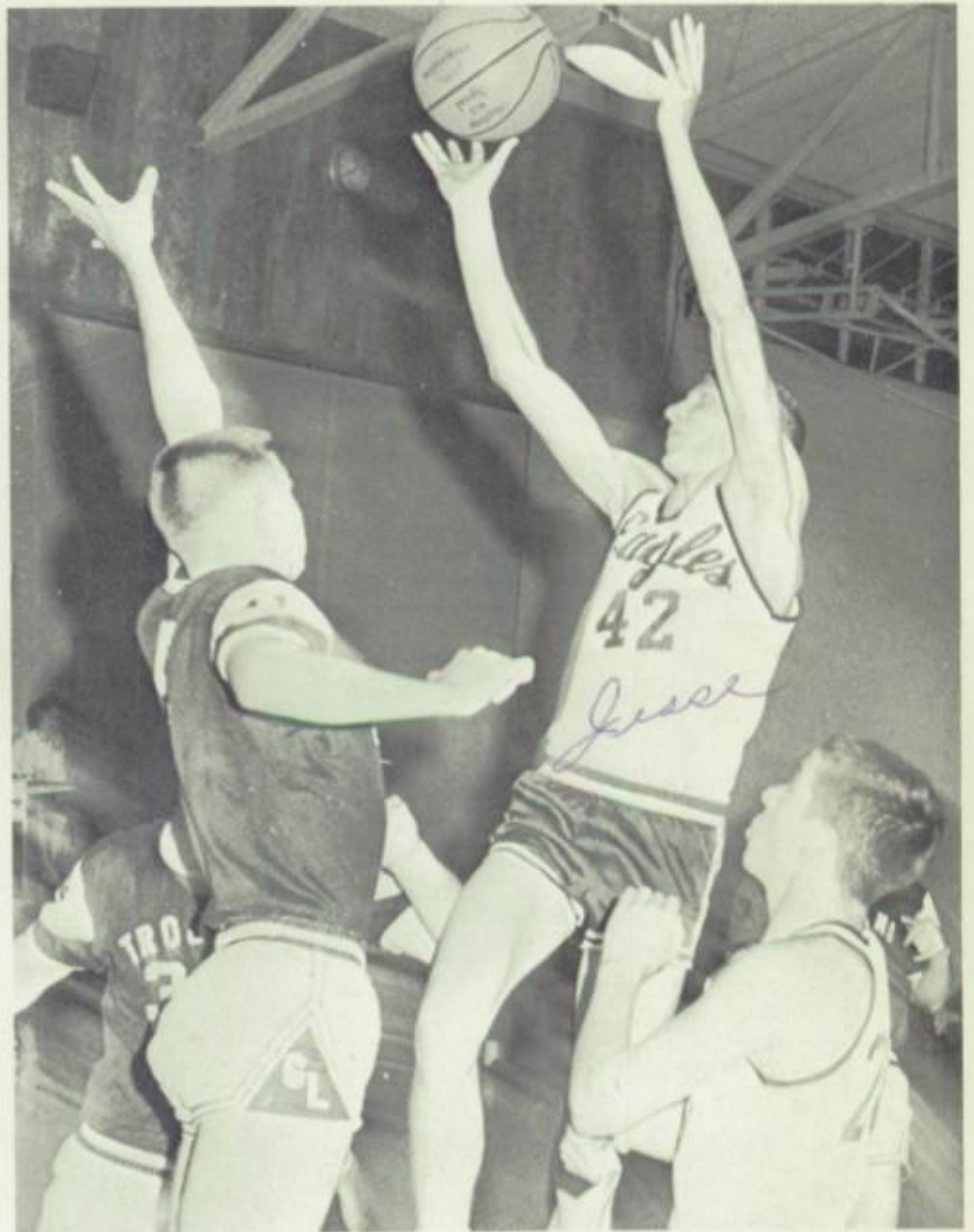

Jesse scores two extra points for C.V.

Things are looking bad for the Eagles here.

"Hey, boys, where's the ball?"

Look at Jesse reach for that ball!

Willie says, "Get out of my way, I'm going in for a two pointer."

L. to R.: Donna Paris, Cecila Hayes, Barbara Oliver, Leona Collins, Judy Sauls, Linda Thomas, Debbie Long, April Hicks, Judy Maxwell, Linda Henderson, Hilda Morse.
